Volume 4, Issue 3, June 2020

Dear Apartment Resident

We had a month of unlock down phase and with various relaxations on movement & travel, reopening of offices, markets and other places, the COVID is spreading. The reasons could be increased testing (need of the hour) and hence better detection, as well as rise in positive cases due to relaxations. This implies we need to review all our COVID prevention protocols and practices to help us fight & prevent this disease. Let's review & reinforce some of these practices:

1. Keep the masks on every time you step out. Do not lower the masks even while talking.
2. Frequent hand sanitization with soap and water, Avoid touching surfaces & face.
3. Bond socially but maintaining physical distance of 2 m.
4. Avoid frequent visits to markets, shops and other public places. Stock adequately at home to reduce visits.
5. Avoid all non essential gatherings (birthday parties, get-togethers, playing contact sports, large playgroups etc)
6. Follow some routine preventive practices advised by the MoHFW/ GoK/Your doctors etc. – salt & turmeric hot water gargles, immune boosting diets and supplements, fresh air, sunlight and light exercises.

AT End of Phase	India	Karnataka	Bangalore
LO1 (April 14 th)	11,485	260	71
LO2 (May 3 rd)	42,778	606	153

Many BAF members & non members have started experiencing covid+ cases in their apartments. To support them BAF has

1. Created a dynamic **BAF POSITIVITY GROUP** on Whatsapp since Jun 3rd 2020– so that MC/C19Task force members from such apartments can join & dynamically seek help from each other to manage the situation. Over 40 apartments have been part of this group including few non members.
2. Released a **COVID AFFIRMATIVE ACTION GUIDELINES** on 7th July 2020, based on experiences of above group and all other supporting official inputs so that apartments affected with positive case – will immediately be able to act.
3. <https://baf.org.in/covid-19/baf-guidelines> is available for various COVID related matters – be it guidelines, government notifications, helpline numbers etc.
4. **BAF COVID-19 AGM Advisory** was released on Jun 22nd & is available at BAF Knowledge portal. Members can get guidance on conduct of AGM for their associations given the COVID19 restrictions.
5. **BAF Bulletins** continue to clarify and guide apartment Associations on various alerts, dos & donts

BAF continuously engaged with GoK , ULBs & various authorities during the month on wide range of issues & mutual support

1. **KSPCB** personal hearings on NGT issues and member apartment ECC related matters were scheduled online as requested by BAF. A BAF focus group to file RTI & gather data on lake pollution was constituted. WP for batch 1 & 2 STP petitioners was re-initiated. A potential engagement on STP installation- operation model for future is planned with all stakeholders
2. BAF GC met with DY CM on the KSPCB-STP-NGT issues as well as sought official AGM advisory from cooperation ministry & department. Continuous follow ups continue on the same with representation to ACS cooperation department.
